

1. Welcome / Splash Screen

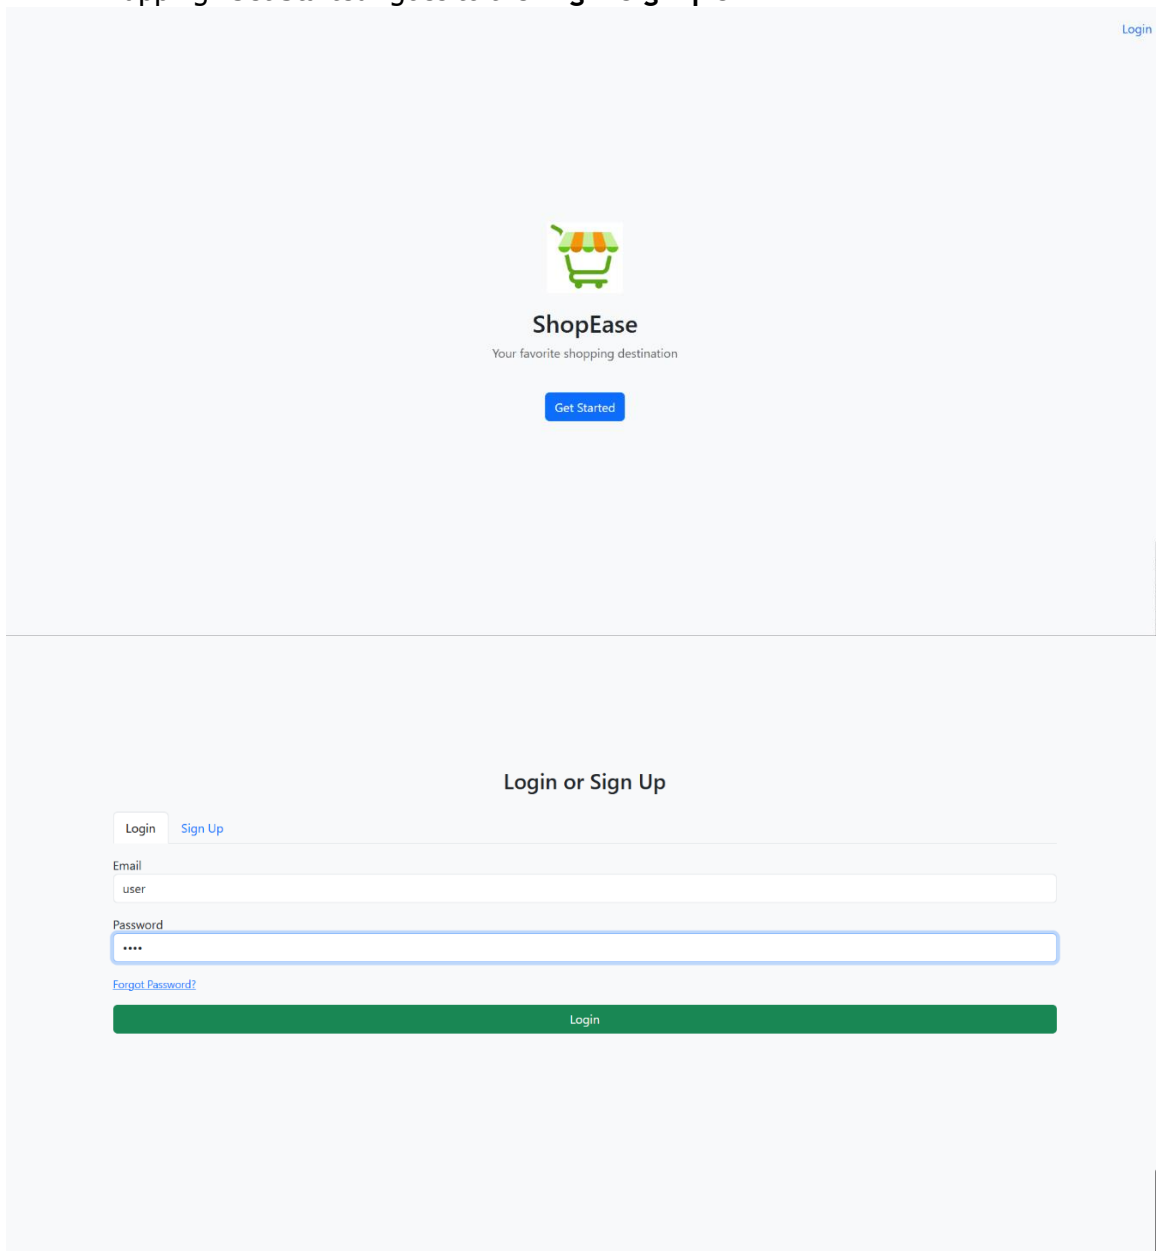

Purpose: First screen users see when they open the app or website.

Layout Elements:

- **Logo:** Centered at the top or middle.
- **App Name / Tagline:** Just below the logo.
- **"Get Started" Button:** At the bottom center.
- **Optional:** Link to "Login" for returning users at the top right.

Navigation Flow:

- Tapping "Get Started" goes to the **Login/Signup Screen**.

The image shows two screens of a mobile application. The top screen is the 'Welcome / Splash Screen' for 'ShopEase'. It features a logo of a shopping cart with a green and orange striped awning, the app name 'ShopEase', the tagline 'Your favorite shopping destination', and a blue 'Get Started' button. A 'Login' link is in the top right corner. The bottom screen is the 'Login or Sign Up' screen. It has a toggle for 'Login' (selected) and 'Sign Up'. It includes input fields for 'Email' (with 'user' as a placeholder) and 'Password' (with '****' as a placeholder). A 'Forgot Password?' link is below the password field. A large green 'Login' button is at the bottom.

2. Login / Signup Screen

Purpose: Allow users to log in or create a new account.

Layout Elements:

- **Tabs or Toggle Buttons:** Switch between "Login" and "Sign Up".
- **Form Fields:**
 - **Login:** Email, Password, "Forgot Password" link.
 - **Sign Up:** Name, Email, Password, Confirm Password.
- **Login/Sign Up Button:** Below the form.
- **Social Login Options:** (e.g., "Login with Google") – optional, below the main button.

Navigation Flow:

- Successful login/signup leads to **Home/Dashboard**.

3. Home / Dashboard Screen

Purpose: Main screen after login; shows summary or key features.

Layout Elements:

- **Top Navigation Bar:**
 - Logo (left), Search Bar (center), Profile Icon or Menu (right).
- **Main Content Area:**
 - Welcome Message or User Summary.
 - Quick Links or Feature Boxes (e.g., "Browse Products", "My Account", "Settings").
- **Bottom Navigation Bar (for mobile):**
 - Home, Categories, Cart, Profile icons.

Navigation Flow:

- Tap on "Browse Products" or category links → **Content/Product Listing Screen**.

4. Content / Product Listing Screen

Purpose: Shows a list/grid of items (products, articles, etc.)

Layout Elements:

- **Filter/Sort Options:** At the top.
- **Search Bar:** Fixed at top if not already present.
- **Grid/List of Items:**
 - Each item has: Image (placeholder), Name, Short Info, Price or Description, "Add to Cart" or "Read More" button.
- **Pagination or Infinite Scroll** at the bottom.

Navigation Flow:

- Clicking on an item goes to **Item Detail Page** (optional).
- Clicking "Add to Cart" leads to **Checkout Screen**.

5. Checkout / Contact / Final Action Screen

Purpose: Final interaction step — checkout or send a message.

Layout Elements:

- **Order Summary or Form:**
 - For checkout: Item list, quantity, price.
 - For contact: Name, Email, Message box.
- **Address Fields / Payment Fields** (if it's a checkout).
- **Submit / Pay / Confirm Button** at the bottom.
- **Back Button** to return to previous screen.

Navigation Flow:

- Clicking "Submit" completes the action and may go to a **Thank You** or **Confirmation** page.

Navigation Overview:

- Splash → Login/Signup → Home → Listing → Checkout
- Use **Top Nav** or **Bottom Nav** for back and forth movement between Home, Listing, and Profile.
